

Attention Military Spouses!

Great jobs are out there...
let us help you find one!

Midlands Technical College will be offering career counseling and assessment services and will be talking about their Quick Jobs programs.

Need to find a job, improve job skills, or want to retrain in another career field without having to go to school for a long time? If so, come to the Quick Jobs seminar where you can learn how to find a job and earn a credential in a really short time. Your credential will go with you where you go, making you more marketable and valuable to any workforce. Some of these credential programs take as little as six weeks to complete! You may also be eligible for tuition assistance.

Learn more about these exciting opportunities.
